Professional experience

House surgeon.

01.02.94-31.07.94

Rajawadi Hospital, Mumbai.

Rajawadi hospital is a 500 bedded teaching hospital and includes all major specialities. My duties included daily ward rounds; care of in- patients, outpatient clinic, and management of pre and post-operative patients, wound dressing, performing minor surgical procedure and assisting major surgeries.

House surgeon in general surgery,

R.N.Cooper Hospital,

Mumbai.

28.9.94-31.01.95

R.N.Cooper hospital is a 750 bedded teaching hospital and the department of general surgery also handled specialty work in urology, pediatric surgery, plastic surgery and neuro surgery. I was trained in the principals of basic surgery and performed a number of minor surgeries. I also gained experience in managing trauma and intensive care patients.

House Surgeon in Gen. & Gastro Intestinal

King Edward VII Memorial Hospital,

Surgery,

Mumbai.

01.02.95-31.07.95

The king Edward VII memorial hospital is an 1800 bedded tertiary referral centre and teaching hospital in the heart of Bombay & covers a population of over 12 million. I worked I Dr.S.K.Mathur's unit having a special interest in gastrointestinal, hepato- biliary and pancreatic surgery. I was actively involved in the comprehensive management of more than 500 patients of portal hypertension on regular follow up. I have assisted complex hepatico-biliary and pancreatic surgeries including port systemic shunts and devascularisation surgeries for portal HT.

House Surgeon in Urology and surgical

K.E.M. Hospital & Tata Memorial

Oncology,

hospital. Mumbai.

01.08.95-29.02.96

I had a 3-month rotation in Urology in the King Edward Memorial Hospital where I had observed specialized urology. I assisted and performed basic urological surg; assisted complex uro surg and renal transplant surg. I worked in endo urology dept. as well.

Senior registrar in Gen. & Gastrointestinal

K.E.M. Hospital, Mumbai.

Surgery,

01.08.97-12.11.97

I worked as a senior registrar in a Gen & Gastrointestinal surgical unit which deals with a wide range of general surgical conditions with a special emphasis on hepato-biliary & Pancreatic diseases, portal HT and gastroenterological malignancies. I gained extensive experience in managing complex gastroenterological condition presenting to a tertiary referral centre.

J.R. AMO (JUNIOR ADMINISTRATIVE MEDICAL OFFICER); KEM HOSP, MUMBAI

13.11.97 TO 16.07.98

As an AMO, I was attached to general and gastrointestinal surg. Unit of KEM hospital, Mumbai. I had rotation in Casualty, Immunization OPD, minor surg OPD, minor surg OT and handling of medico legal & administrative responsibilities including attending the court calls. My attachment to surgical unit has ensured that I remain in touch with surgical work; such as Laparoscopies, Endoscopies, Gastro-intestional surgical work under Dr.S.K.MATHUR, who has a lot of work in PORTAL HYPERTENSION and it's management:- endoscopic sclerotherapy, devascularisations, shunt surgeries(dsrs,psrs).

AD-HOC LECURER IN GEN.SURG; Seth G.S.MEDICAL COLLEGE, KEM HOSP.

20.05.98 TO 16.07.98

In addition to AMO duties, I worked as an EMERGENCY LECTURER ON CALL.

LECTURER, GEN SURG.DEPT; BYL NAIR HOSP & TOPIWALA NATIONAL MEDICAL COLLEGE

17.07.98 TO 15.04.99

Nair hospital is a 1700 bedded tertiary referral centre at Bombay central, Mumbai. I had teaching responsibilities for MBBS students, as well as for BDS students; in addition to work as a lecturer in GEN surg dept of NAIR hospital. I worked as an expert and a qualified surgeon, supervised surgeons, performed independent major surgeries, managed severe trauma cases, performed laparoscopies, endoscopies. And got trained as a LAPAROSCOPIC SURGEON.

ONCOSURGERY CLINICAL ASSISTANT;S N DHOOT HOSP AURANGABAD

26.04.99 TO 11.12.99

Seth Nandlal DhootvHospital is a tertiary referral hospital, mainly managing ONCOSSURGERIES. In this, I worked under a noted oncosurgeon, Dr. V.Borgaonkar and assisted many major oncosurgeries of GI, GU, HFN, ORTHO, BREAST, THYROID, ENT. Also, I received training in ERCP-DIAGNOSTIC & THERAPEUTIC. I have assisted and performed many LAPAROSCOPIES & LAPAROSCOPIC GI SURGERIES.

CONSULATANAT SURGEON; MEDICAL CENTRE & RESEARCH CENTRE, MGM'S MEDICAL COLLEGE, AURANGABAD

20.12.99-30.4.2002

Mahatma Gandhi mission has a medical college for MBBS student & PG student with a RESEARCH CENTRE attached to it. I worked independently as a general surgeon, performing a lot of surgeries and

managing TRAUMA cases on my own. This centre has a SURICAL INTESSIVE CARE UNIT & a well-equipped superspeciality OPERATION THETRE.
