The king Edward VII memorial hospital is an 1800 bedded tertiary referral centre and teaching hospital in the heart of Bombay & covers a population of over 12 million. I worked in the casualty dept. of this hospital by rotatory postings. Here I was exposed to emergency in medicine, Gen. Surgery & trauma. I had posting in immunization O.P.D; minor surgery O.T; Special wards. I have done casualty night duties also. I have been exposed to emergency management of condition in pediatrics, E.N.T. ophthalmology theaters in gen.surgery & gynaec-obst. & ortho. I have done ward work with house-officers in wards.

House officer and Registrar Gyn Obst Dept : L.T.M.M. Hospital, & Sion hospital, Sion Mumbai-22.

The sion hospital is 1500 bedded hospital situated on one of the busy main roads in Mumbai. It has a drainage area from most of the central Mumbai, eastern Mumbai, central & eastern suburbs of greater Mumbai as well as Thane district, Navi Mumbai, Panvel. It is one of the best teaching hospitals in Mumbai university. It is a best trauma centre in Asia. In this period I worked under Dr.V.R.Ambiye, who has a special interest in family planning & special care in obstetrics. During this period, I have learnt the management of emergencies in obstetrics, causality deliveries, minor obst. Surgical procedure & indoor management of post-operative patients.
